One (1) ladies multi-colored stone necklace. This necklace is crafted in gold vermeil (Sterling Silver with a yellow gold overlay), and consists of a heavy rope link chain with triangular stone set drop. The center drop contains 12 oval cabochon cut multi-colored gemstones, each bezel set, and arranged in rows of 5, 4, and 3 stones. Suspended from the bottom of the drop is 1 half-drilled cultured pearl.

This necklace is from the Glimpse of Heaven Collection. According to the Bible, the 12 stones signify the foundations of the Walls of Heaven. They measure an average of 7mm x 5mm x 3mm in size. In order, the stones are as follows:

Top Row: 1 rust colored Jasper, 1 Blue Sapphire, 1 milk Chalcedony, 1 opaque Emerald, 1 Ruby

Center Row: 1 orange Carnelian, 1 Peridot, 1 Aquamarine, 1 Citrine

Bottom Row: 1 mint green Chrysoprase, 1 Garnet, and 1 Amethyst.

The cultured pearl measures 6.1mm. The chain measures 18.5 inches in overall length, including the clasp and 2 inches extension links on 1 side. The necklace has a combined gem and metal weight of 20.2 grams.

The Emerald is valued @ \$125.00

The Sapphire is valued @ \$50.00

The Ruby is valued @ \$75.00

The remaining 9 stones are valued @ \$35.00 each = \$315.00

The cultured pearl is valued @ \$35.00

The gold vermeil necklace and mounting is valued @ \$325.00
